Expanding the Horizons of
Medical Office Technology

MedVanced Billing Services

Billing

Bill claims on a daily/ weekly/ bi-weekly/ monthly basis, as well as post payments from paid claims.

Collections

Contact insurance companies regarding denied claims, fix the issues, & resubmit the claims for payment.

A/R Cleanup

Manage the A/R and focus on older unpaid or partially paid claims so they are paid in full. The focus is on reducing the average number of days claims remain on the A/R, thus increasing revenue.

Patient Billing

Bill patient statements on a regular basis, as well as post payments.

Billing Enrollment

Complete enrollment process for the following: new insurances, conversion to electronic claim submission, enrollment for electronic remittances, & enrollment for electronic authorizations.

Practice Management Reporting

Analyze system reports (Profit & Loss, Revenue, Expenses, etc.), identify trends, and recommend solutions to issues.

Custom Packages

Custom Packages including different services are available. Will provide a custom quote based on your needs.
